

Computerized Management Systems is pleased to announce our partnership with Complete Media Inc. (CMI), a full circle ad agency. Through CMI, CMS /TruckWin Software is now offering affordable permission based **TEXT marketing solutions**.

Our technology provides you with a unique and direct "business to consumer" communication channel, utilizing today's most cutting edge technologies as the communication platform for delivery. CMI technology enables you to cost effectively and instantaneously communicate with your drivers, lessors, employees & clients via text messaging, instant messaging, email, and online.

**Did you know 97% of text messages are opened and read by the recipient?** 83% are opened within the first 15 minutes! Feel confident your messages are getting delivered to your drivers, lessors and employees with CMS's. Connect with your drivers, lessors and employees instantly!

**Simply the easiest & most affordable Text Messaging (SMS) platform available!**

Choose from one of our three economical packages:

Basic Package: \$65 per mo

(Unlimited subscribers. 1-1000 texts per mo. max.)

Standard Package: \$140 per mo

(Unlimited subscribers. 1001-10,000 texts per mo. max.)

Premium Package: \$340 per mo

(Unlimited subscribers. 10,001-100,000 texts per mo. max.)

People of all ages utilize texting as their preferred form of keeping in touch with the people around them. It is convenient and inexpensive. In fact 5.8 billion text messages are sent daily in the US alone.
